Notes	

The Symbi Free-fly suit may be ordered with either a generously cut, baggy fit or with a slimmer cut, and built from a choice of heavy 100% cotton or a lighterweight poly-cotton mix. For lightweight Free-flyers, a very lightweight Tactel may be used in certain colours (ask us for available stock). The legs may be "double lined" to create more drag if desired.

Stripes or chevrons may be added on arms and legs at a small additional cost.

This suit features a velcro tab for securing the main zip against coming undone when head down flying, secure velcro cuffs at wrist and ankle and a pocket on one leg.

MEASUREMENTS

Please take your measurements carefully. We are unable to make your suit fit without your correct measurements. Study the diagram to assist you. Get someone to help you and double check each measurement. Measure yourself over a T-shirt and thin trousers.

Do not add anything to your measurements.

If we receive incorrect measurements, we will have to charge for modifications.
